

# Birthdays

Every birthday is worth celebrating. These moments are special, so whether you want an understated celebration or an extravagant party with your friends and family, we will be delighted to help you plan and celebrate your special occasion.

“You’re not getting older, you’re getting better”

We think birthdays should be fun and laughter filled. We think these parties should create family memories, and be your most important day of the year. Whether you want an intimate arrangement with a handful of friends, or a vibrant party for an extensive array of guests, our staff will work hard to give you a birthday party to remember.

Whether for a little one’s special day, or for a bigger one’s landmark celebration, with a range of rooms to hold your party in, including our exclusive marquee, we can go through your ideas and create an occasion specifically for you.

We can get everything in place to ensure that the occasion has all the ingredients needed to make it as memorable as possible.

**You can choose from our main menu,  
carvery or one of our buffet options.**

**Please ask the manager for more information and to start this process.**

We look forward to celebrating with you!
